## Designers Choice Limited Lifetime Warranty

Designers Choice Cabinetry ("DCC") provides a Limited Lifetime Warranty to the original owners of the installed cabinetry ("the Product") and warrants its Product when purchased through an authorized DCC dealer to be free from defects in material or workmanship under normal residential use for as long as they are owned by the original purchased in the Products originally installed location. This warranty is not transferable to subsequent owners.

Our obligation under this warranty shall be limited to the repair or replacement of any part or parts of our products which may prove to be defective under normal home use and service within the warranty period, and which our examination shall disclose to our satisfaction to be defective.

This warranty does not apply to the mellowing and aging of wood products due to natural darkening, variation in the wood grain or color fading or visible cracking around joint areas. This warranty does not cover countertops, appliances, plumbing fixtures, lighting, or the costs and expenses, including labor in removing or installing our products and related components. This warranty shall not apply to the effects of improper installation, improper storage, excessive humidity or extreme temperatures, and excessive exposure to direct sunlight. We make no warranty whatsoever with respect to accessories or parts not supplied or manufactured by us.

This warranty is the exclusive warranty of Designers Choice Cabinetry and are in lieu of all other warranties, expressed or implied, including the implied warranties of merchantability and fitness for a particular use.

Designers Choice Cabinetry reserves the right to alter design, specifications and material without obligation to make similar changes to products previously manufactured. If a warranty claim is filed after a product is no longer being manufactured by DCC, DCC reserves the right to honor the warranty by either replacing the affected part with a new part of the same style, or replacing the affected part and any other part in the residential application to achieve a uniform appearance with a similar and comparable product style. If parts are replaced, DCC cannot guarantee that the finish of these replacements will exactly match the finish. This is due to the changes that occur during the woods natural aging process, affecting its color and grain.

This warranty gives you specific legal rights which may vary from state to state.
