

Warranty

SOUTHEASTERN ALUMINUM PRODUCTS LIMITED WARRANTY INFORMATION

Southeastern Aluminum Products warrants all of its products for a period of one year from date of purchase against defects in material or workmanship. This warranty is limited to repair or replacement of defective units at the option of Southeastern Aluminum Products. This warranty is void if the unit shows any signs of physical abuse or neglect or there is evidence of improper installation. Southeastern Aluminum Products is not responsible for any damage or injury to person or property except for replacement or repair of defective units.

SEALPRO GLASS SEALER WARRANTY INFORMATION

Each shower enclosure treated with SealPro Glass Sealer has a limited lifetime warranty with Diamond Seal Systems. To register visit DiamondSealSystems.com. Maintaining the warranty requires following a maintenance protocol that is outlined on Diamond Seal's website:

- Wipe down the shower door once or twice a week with a clean towel while the glass is still wet.
- When the glass is totally dry, use Diamond Blue Wash to clean the glass surface using a microfiber cloth. Then buff any residue away with another clean microfiber cloth. The wash can be purchased directly from the website.
- The use of this cleaner precludes the need for any harsh detergents or other chemical agents. While the treated glass is chemically resistant, using ammonia or acid based cleaners, or abrasive materials on the glass will reduce the repellent qualities of the glass and will void the warranty.
